

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

The Committee, to which was referred, at the last meeting, a communication from Dr. Jahn, of Leipsic, entitled "De Calculo Eclipsium Besseliano Commentatio," made report thereon, recommending its publication in the Transactions of the Society: which publication was accordingly ordered.

Dr. Hays announced the decease of Dr. James Cowles Prichard, of Bristol, England, a member of this Society, who died 22d December, 1848, in the 62d year of his age.

The minutes of the last meeting of the Board of Officers and Council were reported.

Pending nominations, Nos. 226, 227 and 228, were read.

Dr. Elwyn mentioned a small instrument recently constructed by Peter A. Browne, Esq., called a Trichometer, for the purpose of testing the strength of hair, wool, and other fibrous materials; which promises to be practically useful in investigations relating to subjects of this nature.

*Stated Meeting, March 2.*

Present, five members.

Dr. PATTERSON, President, in the Chair.

A letter was received and read:—

From George W. Greene, dated Providence, February 26, 1849, requesting permission to have copies taken of the "General Greene Correspondence," in the Library of the Society:

Whereupon, upon motion of Dr. Elwyn, it was agreed that Mr. Greene have permission to procure copies of said correspondence, provided the same be made under the superintendence and direction of the librarian.

FOR THE LIBRARY.

Western America, including California and Oregon; with Maps of those Regions, and of the Sacramento Valley, from actual surveys. By Charles Wilkes, U. S. N. Philadelphia, 1849. 8vo.  
*From the Author.*

Report of the Pennsylvania Hospital for the Insane, for the year 1848. By Thomas S. Kirkbride, M.D. Physician to the Institution. Philadelphia, 1849. 8vo.—*From the Author.*

Speech of Mr. J. A. Pearce, of Maryland, on the subject of the Coast Survey of the United States. Delivered in the Senate of the United States, on Saturday, Feb. 17, 1849. Washington, 1849. 8vo.—*From the Hon. J. A. Pearce.*

Pending nominations, Nos. 226, 227 and 228, were read.

*Stated Meeting, March 16.*

Dr. PATTERSON, President, in the Chair.

Present, seventeen members.

Prof. Agassiz, a member of this Society, was introduced, and took his seat.

A letter was received and read:—

From A. D. Bache, Superintendent U. S. Coast Survey, announcing the transmission to this Society of certain Maps, executed under the direction of the Survey.

The following donations were announced:—

FOR THE LIBRARY.
